

Bartender for Camping Bar – Copenhagen

Ready to join one of Copenhagen's most social and entertaining bars?

At Camping Bar, we've taken mini golf to a new level and created a place where great drinks, fun experiences, and a lively atmosphere go hand in hand. This is where guests come to relax, have fun, and enjoy themselves - and where you, as a bartender, help set the tone for an unforgettable visit.

About Camping Bar

Camping Bar is one of Copenhagen's most unique and entertaining bar concepts. Guests come for mini golf, great drinks, karaoke, and an atmosphere that's always buzzing. We combine games, music, and bar culture in a space where people can unwind, be social, and have a good time - whether it's date night, teambuilding, a night out with friends, or a spontaneous visit. There's always something happening, and as a bartender, you'll be a key part of the energy that makes Camping Bar a memorable experience.

Your Role as Bartender

As a bartender at Camping Bar, you help create a seamless and memorable guest journey from start to finish. You welcome guests, assist with check-in for mini golf and karaoke rooms, explain the games, and set the tone for their visit. In short: you create flow, atmosphere, and great experiences throughout their entire visit.
